

## MUSIC GROUPS AT PILGRIM PLACE

New residents at Pilgrim Place who have enjoyed performing in musical groups will be delighted to find that there are many avenues through which they can continue to participate in music, well into their retirement years. Present groups at Pilgrim Place include, but are not limited to:

**Pilgrim Place Chorale:** A group of 40-45 singers [SATB], currently directed by Pilgrim Place Resident Donna Danielson, who present two delightful concerts each year.

**Pilgrim Pickers:** A Folk group, under the leadership of Pilgrim Place Resident Jim Manley, who sing for many appearances both at Pilgrim Place and in the wider community.

**Pilgrim Trio:** A gathering of residents who play piano, cello, and violin, and give yearly recitals.

**The Pilgrim Place Recorder group:** A resident-led ensemble that plays for various functions on campus during the year.

**Pilgrim Brass:** Residents who play for campus functions, at Vespers, and to open Festival.

In addition, there are many opportunities for piano, voice, other instruments, as solo and accompaniment for recitals, worship, leading sing-alongs, and playing for various functions at Pilgrim Place.

Come and join in the music. New members are always welcome!
